UNITED STATES PAROLE

Respondents.

On June 5, 2015, the court granted respondent United States Parole Commission's (the "Commission") motion for summary judgment concerning Petitioner's petition for a writ of habeas corpus pursuant to 28 U.S.C. § 2241. On June 29, 2015, the court received Petitioner's motion for reconsideration, which it denied on June 30, 2015. Presently before the court is Petitioner's second motion for reconsideration, pursuant to Federal Rule of Civil Procedure 60(b), in which Petitioner re-argues the bases for relief already presented in the habeas petition. A motion for reconsideration that "is nothing more than a request that the district court change its mind" is not authorized. United States v. Williams, 674 F.2d 310, 313 (4th Cir. 1982). Furthermore, Petitioner still fails to establish prejudice arising from the Commission's decision about Petitioner's reparole hearing. Accordingly, Petitioner's second motion for reconsideration is **DENIED**.

The Clerk shall send a copy of this Order to the parties.

It is so **ORDERED**.

ENTER: This 12  day of August, 2015.
